

## The Desmos Graphing Calculator is on the Digital Pre-AP® Exams!

### Pre-AP® Exams: Graphing Calculator

- Available on the following Pre-AP® Exams: Algebra I, Algebra II, Biology, Chemistry

The Desmos Graphing Calculator is free for anyone to use at [www.desmos.com/calculator](http://www.desmos.com/calculator). Free apps are also available for Chromebooks, iPads, iPhones, and Android phones and tablets. Please note that the testing calculator will differ from Desmos Studio's standard calculator. The differences include:

Graphing Calculator Feature	Testing Calculator	Standard Calculator
Images, folders, and notes	Disabled	Enabled
Keypad	Alphabetical	QWERTY
Default angle mode	Degrees	Radians
Plot single variable implicits	Disabled	Enabled
<u>Log mode</u> for regressions	Default on	Default off

If you'd like to practice with the testing version of the graphing calculator, which is configured with the changes listed above, visit [desmos.com/testing](http://desmos.com/testing). All the Desmos Calculators are designed to be accessible for students with low vision or who are blind. For more information, visit [desmos.com/accessibility](http://desmos.com/accessibility).
